ICE HOCKEY | TONTON SPORTSWEAR

With 20+ years of custom sportswear manufacturing and export experience, Tonton supports custom ice hockey apparel programs for clubs, teams, leagues, distributors and sportswear brands.

Manufacturing

Our production process combines experienced craftsmanship with digital production management. Custom names, numbers, sizes and artwork are checked against the approved order specification throughout production.

Order Quantity

Full-sublimation orders can start from 1 piece. MOQ, unit cost and lead time for tackle twill, embroidery, special fabrics and constructed styles are quoted by specification.

Materials and Workmanship

Material, construction and decoration options are selected according to the approved product specification. Each order is checked against the confirmed artwork, measurements and workmanship requirements before shipment.

Why B2B Partners Choose Us

- Direct manufacturer communication
- OEM/ODM and private-label options subject to project review
- Digital artwork proof and final written approval before production

Your Brand, Our Production

Tonton combines established sportswear manufacturing experience with flexible custom production capabilities. Product specifications, materials, decoration methods, pricing and lead times are confirmed for each order.

The logo for Tonton, featuring a stylized 'T' with a swoosh and the word 'onton' in a bold, sans-serif font.

SMART MANUFACTURING | INSIDE OUR PRODUCTION

Our production base in Hubei Province is where 20+ years of hands-on craftsmanship meets modern technology. We've built a system that catches mistakes before they become your concern.

Manufacturing Built for Accuracy

Each approved order is released with its final artwork, size breakdown, personalization information and packing instructions. Our digital workflow supports traceability from cutting through finished-garment inspection.

Four Things This System Supports

Artwork, Roster & Size Control

Approved names, numbers, sizes, and placement details are checked against the production release before work begins.

Clearer Production Coordination

Digital order information helps the team manage approved specifications and project milestones.

Flexible Order Routes

Single-piece samples and bulk programs are quoted separately according to garment construction, fabric, and decoration. Full-sublimation orders can start from 1 piece.

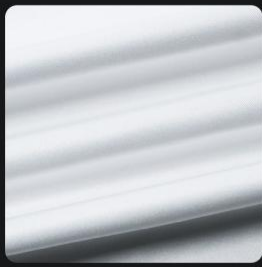

QC to the Approved Specification

Production is monitored at key stages, and finished garments are inspected against the confirmed artwork, measurements, and order details before shipment.

EMBELLISHMENTS

Elite Twill

TACKLE TWILL & APPLIQUÉ

Tackle twill and appliqué create a raised, stitched look for selected team names, numbers and logos. Availability depends on garment construction, artwork detail and the selected fabric.

WHY CHOOSE TACKLE TWILL & APPLIQUÉ?

- ✓ **Dimensional team identity:** layered twill can add a bold, traditional finish.
- ✓ **Decoration matched to the garment:** stitch type, placement and edge finish are confirmed with the artwork.
- ✓ **Selected color and texture options:** final combinations are reviewed before production.
- ✓ **Order Quantity:** Flexible Order Quantities. Full-sublimation orders can start from 1 piece. MOQ, unit cost and lead time for tackle twill and appliqué orders are quoted according to artwork, materials, construction and quantity.

Full-Dye Sublimation

SUBLIMATION INTRODUCTION

Dye sublimation transfers the approved artwork into compatible polyester fabric. The decoration is designed to resist cracking and peeling under normal use and care. Color appearance and durability depend on the selected fabric, ink, construction and care conditions.

WHY CHOOSE SUBLIMATION?

- ✓ **Color Durability:** Vibrant Custom Colors. Sublimation supports detailed, full-color artwork on compatible fabrics. Final color reproduction is confirmed against the approved artwork and available production standards.
- ✓ **Complex Artwork and Pricing:** Complex Artwork Options. Gradients, detailed patterns and photographic elements may be available. Final feasibility and pricing are confirmed after artwork review.
- ✓ **Performance Claim:** Fabric Options for On-Ice Use. Breathable and moisture-management fabric options are available according to the selected garment specification.

COLLAR STYLES AND SIZE CHART

HOW TO MEASURE

To ensure the perfect fit, please lay your jersey flat and follow these steps:

- 1. Chest Width (A):** Measure across the chest from armpit to armpit.
- 2. Body Length (b):** Measure from the highest point of the shoulder (beside the collar) down to the bottom of the hem.
- 3. Bottom Width (c):** Measure across the bottom hem from side to side.

Measurement Note: All measurements shown are finished garment measurements in inches. Please allow the stated production tolerance. Recommended sizing may vary according to the selected fit, fabric and layering requirements.

PRO-GRADE GAME JERSEYS

What This Line Is About

With 20+ years of custom sportswear manufacturing experience, we produce custom hockey jerseys for clubs, leagues, schools and sportswear brands. Professional game-jersey and goalie-cut options are developed according to the approved fit, fabric, construction and decoration requirements. Each order is checked against the confirmed specification before shipment.

Key Advantages(Professional Game Jerseys)

- ✓ **Maximum Durability**
Crafted from heavyweight pro-mesh or abrasion-resistant polyester options, with cover-stitched seams according to the approved construction specification.
- ✓ **Reinforced Impact Zones**
Optional double-layer elbow and shoulder panels reinforce areas exposed to frequent wear.
- ✓ **Sublimation Description**
Advanced sublimation supports detailed, full-color graphics designed to resist cracking and peeling under normal use and care. Pro-style tackle twill name and number options are also available.
- ✓ **Breathable Design**
Optional breathable ventilated panels keep players cool during intense gameplay.

Key Advantages(Goalie Cut Jerseys)

- ✓ **Goalie Jersey Material**
Durable fabric and breathable mesh options are available for goalie-cut jerseys, depending on the approved garment specification.
- ✓ **Goalie-Specific Tailoring**
Extra-wide sleeves and a specially tailored chest designed to fit comfortably over bulky chest and arm protectors.
- ✓ **Unrestricted Movement**
Oversized armholes allow for a full range of motion without sacrificing protection in the crease.
- ✓ **Critical Reinforcements**
Features reinforced stitching at critical high-stress points unique to the goalie position.

HOW TO MEASURE

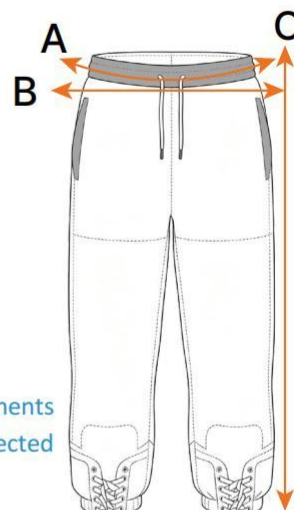

To ensure the perfect fit, please lay your pants flat and follow these steps:

1. Recommended Body Waist (A): Measure around the body at the position where the hockey pants or protective equipment will sit. Keep the measuring tape level and comfortably fitted.

2. Garment Waist Width (B): Lay the shell pants flat without stretching the waistband. Measure straight across the waistband from side to side.

3. Total Length/Outseam (C): Measure the finished garment from the top of the waistband to the bottom edge of the leg opening.

Measurement Note: Recommended body-waist ranges are sizing guidance only. Garment measurements are flat finished measurements. Final fit depends on the protective equipment worn underneath, selected construction and individual fit preference.

ELITE CUSTOM SHELLPANTS

Key Advantages

- ✓ **Durable Outer-Shell Construction**
Constructed from durable nylon or polyester fabric options selected according to the approved shell-pants specification.
- ✓ **Fit Description**
An elastic waistband and adjustable belt help position the shell pants over compatible hockey pants or protective equipment.
- ✓ **Product Classification**
Designed as a non-protective outer shell to be worn over approved protective equipment. This product is not intended to replace hockey pants, girdles, padding or other protective equipment.

What This Line Is About

Custom hockey shell pants provide a coordinated team appearance over compatible hockey pants or girdles. Fabric, waistband, belt, stretch-panel and side-stripe options are confirmed according to the approved product specification. Final fit should be checked with the protective equipment that will be worn underneath.

Hockey Pants

Hockey Shellpants

SUBLIMATED SOCKS

Key Advantages

✓ Attachment Description

Attachment tabs are available on selected sock constructions for compatibility with suitable hockey undergarments. Attachment method and placement are confirmed by specification.

✓ Team-Color Description

Full sublimation supports coordinated team colors and graphics based on the approved artwork and selected fabric.

What This Line Is About

Complete your on-ice uniform with custom sublimated hockey socks. Available fabric and construction options are designed for use over compatible shin guards. Color matching, sizing, attachment features and construction are confirmed according to the approved order specification. Hockey socks are not cut-resistant protective equipment.

Hockey Socks

OFF-ICE TEAM APPARELS

Key Advantages

- ✓ **Comfort & Warmth**
Soft fleece-lined hoodies, track suits, and adjustable drawstring hoods designed for maximum comfort.
- ✓ **Weather Ready**
Windproof jackets tailored specifically for cold rink environments.
- ✓ **Active & Travel Wear**
Quick-dry training tees for gym sessions and a comfortable relaxed fit for long team travel.
- ✓ **Custom Branding**
Fabric and decoration options are available for regular team, travel and training use. Appearance and service life depend on the selected material, decoration method, use and care.

What This Line Is About

Team identity doesn't stop when you step off the ice. From professional tracksuits to custom hockey hoodies, we provide a full range of lifestyle gear for players and staff. Perfect for travel, warm-ups, or community events, allowing your club to showcase its identity with pride wherever you go.

PARTNERING WITH US

Consultation and Design

Share your team branding, artwork and product requirements with us. Our design team can prepare digital artwork and product mockups for review. Production specifications are not finalized until written approval is received.

Sampling

Physical samples or fabric swatches may be available for selected products and order programs. Sample type, cost, lead time and availability are confirmed after reviewing the requested materials, construction, decoration and quantity.

Final Written Approval

Production begins only after final written approval of the artwork, product specifications, materials, colors, sizes, quantities, packaging requirements and delivery terms. Any requested changes after approval may affect cost and lead time.

Smart Production

After written approval, the order enters production according to the confirmed specification. Available digital tracking methods may be used to manage customization details during production.

Quality Control

Finished goods are inspected against the approved artwork, measurements, materials and workmanship specification. Inspection methods and acceptance criteria are confirmed according to the order requirements.

Delivery

Shipping method, estimated transit time and available tracking information are confirmed before dispatch. Delivery dates remain subject to the selected logistics service, customs procedures and destination conditions.

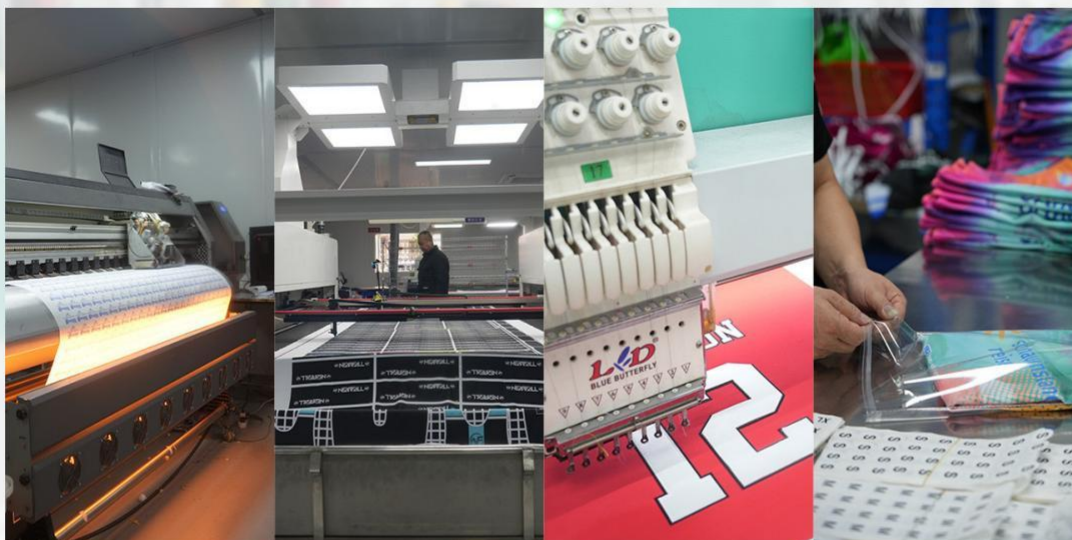

Packaging

Neutral or brand-specific packaging may be available for qualified bulk B2B orders. Packaging options, MOQ, unit cost and lead time are confirmed by specification.

PRODUCTION TIME & CONTACT

ORDER ROUTE

Single-piece orders are available as samples. Wholesale pricing is available from 10 pieces. Final quotation is confirmed by product, fabric, decoration, quantity, packing, and destination.

PRODUCTION LEAD TIME

- ✓ **Full Sublimation:** 7-12 business days after final design approval
- ✓ **Embroidery, Tackle Twill & selected decoration:** 12-25 business days after final approval
- ✓ **Rush orders:** available for selected sublimation projects and quoted separately.

PRIVATE LABEL & PACKAGING

Brand labels and custom packaging may be available subject to product and project review.

TRADEMARK AND ARTWORK

Customers are responsible for confirming that they have the right to use all submitted logos, trademarks, sponsor marks, team names and artwork. We do not undertake orders involving unauthorized third-party intellectual property.
